OUR VALUES

Our ethos and manner in treating clients and staff has always been at the forefront of everything HYDPOWER does and stands for – we uphold these values every day

By treating everyone with maximum respect and courtesy - we are able to work more closely with you to fully understand your requirements and consistently deliver the best outcomes and highest service levels, that your business so deserves.

INTEGRITY We are an honest, open, ethical and fair company committed to the truth. Our clients trust us and that we adhere to our word.

QUALITY All of our components and systems are designed to provide superior performance, longevity and great value for money – all backed by a 24 Month - No Risk Guarantee. We never cut corners and we never compromise on quality.

RELATIONSHIPS Our best intention is to work closely with you to earn your trust and to build lasting relationships - based on us adding real value to your business.

FIRST CLASS SUPPORT We think of our business as your support team. A team, that is always there to support your business and customers - Your goals are our goals.

PAYING IT FORWARD We are committed to providing Australian businesses with a helping hand by "paying it forward" – by sharing our ingenuity and expertise to add real value and provide cost effective innovative hydraulic solutions.

GIVING BACK Our unique rewards club was established to reward your loyalty in line with your purchases. We understand business can be challenging and competitive. It is our way of giving you a helping hand and supporting your business.

PERFORMANCE Our innovative proven engineering and processes are at the foundation of all we do - to uncover the opportunities for improvement and deliver optimum efficiency.

OUTPERFORMANCE We constantly outperform our competitors by design - so you can outperform yours. Smarter hydraulic systems - delivered right in every detail.

DARING TO BE DIFFERENT By looking outside the square at every aspect of your hydraulics system, we are able to provide genuine, credible options and innovative cost effective alternatives to enhance your system.

PASSIONATE We live and breathe hydraulics. What we do, we do very well. Our passion drives us to deliver excellence in everything we do - we care & it shows.

RESULTS DRIVEN We continue to provide our full support until you are completely satisfied. We push ourselves daily to ensure the end result is what you require.

DETERMINED We have an inbuilt determination to succeed - "Can Do and Will Do"

PROFESSIONAL We pride ourselves upon being consistently professional in all client interactions – from concept enquiry to completion and beyond.

WORKING HARDER & SMARTER

Raising the bar to reduce your pressure and costs

HYDPOWER follows an immersive and creative - Pay it Forward approach to provide you with innovative and cost effective hydraulics solutions. We do so much more than just merely dispatching components you need in a timely manner. We take it upon ourselves to be responsible for using our expertise to tell you what works & what doesn't.

Regardless of how technical a question or problem you may have, we will always be ready, willing and able to provide you with sound and prudent advice. Our objective is to ensure that your hydraulic systems meet cutting edge industry standards - always.

HYDPOWER is a hydraulics supplier like no other vendor you have worked with before. We put your best interest first and are committed to providing a one-stop-shop for all your hydraulics needs. Specifically we:

- Back our quality with a 24 Month - no risk warranty
- Provide you with a meaningful cost saving rewards program
- Recommend, advise and present potential technical improvements or changes, with your business's best interest in mind
- Periodically visit your premises, to meet you in person and to discuss your hydraulic product and development requirements
- Voluntarily facilitate periodic business reviews to discuss cost saving initiatives
- Provide an experienced hydraulics engineer to advise on all technical project queries

MISSION STATEMENT

Our values are best summarised here :

"HYDPOWER is committed to adding value by providing you with leading edge hydraulic products & services, together with first class service & support at the most competitive prices."

Your business deserves so much more than just a hydraulics vendor. Work with a proactive hydraulics partner instead! Get in touch with **HYDPOWER** today, to understand why we are Australia's #1 Hydraulics partner company.

PROFESSIONALLY & ETHICALLY TRUSTABLE

HYDPOWER is a company with client-centric ethics. You, our clients and your best interests are always our top priority and we are willing to fund, up front, all your hydraulic engineering systems, design review and testing to create a win-win partnership

With a culture that equates a client's success as its own success, we pride ourselves on building long-standing client relationships that enjoy a high level of mutual trust. With us as your hydraulics partner, you add very tangible beneficial value to both your hydraulic systems, as well as your business as a whole.

HYDPOWER promises only what we can deliver, with certainty – we always :

- Care about the entire hydraulic ecosystem and how vital it is to your success
- Work smarter and tirelessly to maintain full customer satisfaction
- Supply the right components at the best price, delivered on time

WHAT OUR CUSTOMERS SAY ABOUT US

HYDPOWER's legacy as Australia's leading hydraulics partner company has entirely built its reputation as a top notch product and service provider.

There's no need to take our word for it. Should you want to speak to one of our clients - We will gladly arrange that for you.

TESTIMONIALS

"Good quality products, on time, great back up support, good knowledge base to bounce ideas off, competitive pricing, wide range of products."

Darren - Owner

"We have been using the services of **HYDPOWER** Hydraulics over the past 10 years & I have found them to be very professional with excellent knowledge.

Shane's ability to provide the best solution at an economical price is second to none. I would have no hesitation in highly recommending them."
